Weekly Word

This weekend we celebrate with thanksgiving in the life of the Church. We remember with fondness and love the names of those, young and old, who have been examples of faith and love in our families, and in this faith community. Also, we celebrate the witness of those who through their actions have illuminated the life of Christ. Their lives have witnessed to the presence of the divine in daily life. We honour them as saints in the life of the church.

May we celebrate with Joshua and Chase this day, as they are welcomed into the family of the church. They are supported in prayer and love by the gathered community. They are supported by all those who have gone before, and those who will come after. In time, as they walk through life, they will have opportunity to experience the love and faith of members in the Parish of the Ascension. As they continue in life, they will be exposed to the stories of the saints, both living and dead, who are models for us as we live in Christian community, and as we live and work within this, God's world.

Born Anew

May Christ's being born
anew in our hearts,
bring light, healing and wholeness
to us and all our loved ones
in this world and in heaven.

And the saints shall tread
the pilgrim roads before us,
behind us,
between us,
surrounding us,
with the unbounded love
of God our Creator.

David

Income: This week we received \$6712.80 in income. We need to receive \$6871 per week to meet our commitments. As of September 30 we are \$23,596.67 behind in income for parish operations. If you can increase your financial commitment to the parish, we can continue to close this gap, and effectively fund ministry as we reach out to parishioners, residents of Mount Pearl and area, and the wider world, for this is what God intends.
